TOWNSHEND SELECT BOARD

Covid-19 discussion for current and future response to possible pandemic was held in the Townshend Town Hall, with speakers from Grace Cottage, Rescue Inc, Windham Central, Vermont Emergency Management, Valley Cares, WCSU and others, reflecting on the current state of the Covid-19 virus in the US.

A quorum of Select Board members was present, but no meeting of the Select Board was convened and no actions were taken. Select Board members did not speak to one another, nor did they speak openly in public except for the occasional question pertaining to Covid-19. No projections of costs and no contractual proposals were presented to Select Board members by the public, by agents of the sponsors, or by representatives of the above named organizations. The discussion, which began at 1:00 p.m., concluded around 1:55 p.m.
